WHO WE ARE

At Kraus-Anderson, we're community builders. The Kraus-Anderson Community Foundation's mission is simple: to strengthen the communities we serve. We recognize that mental health challenges are common in our industry and we're committed to being a changemaker. We've launched **Sporting Change with Kraus-Anderson Community Foundation**, a pickleball fundraiser for mental health awareness and suicide prevention.

WHO WE SUPPORT

All proceeds from Sporting Change 2026 will directly support:

Suicide Awareness Voices of Education (SAVE), a locally-based, national nonprofit organization dedicated to preventing suicide through education, advocacy, and support services. SAVE has developed a suicide-prevention and mental-health training program called **IBEAM (Ideal Body, Environment, and Mind)** specifically tailored for the construction industry, where suicide rates are among the highest of any profession.

ABOUT SPORTING CHANGE

We are excited to host a fun-filled and Halloween-inspired evening of pickleball, food, drink, community, costumes, and other fun surprises on **Thursday, October 29 from 3-7pm at Pure Pickleball in Plymouth.**

All sponsors will receive complimentary food and beverage tickets. The pickleball will be in doubles format and will have competitive play brackets and social open play.

WE LOOK FORWARD TO PARTNERING WITH YOU TO MAKE A DIFFERENCE
